

标题：《外交政策杂志》英文原版Foreign Policy Magazine January 2010 - 最近更新  
(2010-01-04)

Foreign Policy is a bimonthly American magazine founded in 1970 by Samuel P. Huntington and Warren Demian Manshel. It is published by the Carnegie Endowment for International Peace in Washington, D.C., USA. Its topics include global politics, economics, integration and ideas.

In early 2006, the magazine expanded its web presence by launching a blog, Foreign Policy Passport. Its top editors include Moise's Na'acute;m and William Dobson. It publishes the annual Globalization Index, and Failed State listing. It also published the annual The World ' s Most Dangerous Ideas special report.
